

OUR MISSION:

LULAC is business committed to excellence in the delivery of child and family development services in the New Haven community. LULAC's professional staff helps young children prepare for success in learning and life.

We achieve this success by delivering early childhood development services, instruction and assessment. We vigorously support the child and their family's efforts to succeed in today's world by being constantly attentive to their need for : safety, education, health, nutrition, mental wellness and family support services.

"Developing Our Children and Families for Life"

NUESTRA MISIÓN

LULAC es una empresa comprometida con la excelencia en la entrega de servicios de desarrollo infantil y familiar en la comunidad de New Haven. El personal profesional de LULAC ayuda a los niños a prepararse para el éxito en el aprendizaje y la vida.

Logramos este éxito a través de la entrega de servicios de desarrollo infantil, la enseñanza y la evaluación. Apoyamos fuertemente los esfuerzos de los niños y su familia para tener éxito en el mundo de hoy al estar constantemente atento a sus necesidades: seguridad, educación, salud, nutrición, salud mental y servicios de apoyo familiar.

COMMUNITY RESOURCE GUIDE

GUIA DE RECURSOS DE LA COMUNIDAD

Introduction

Dear Parent/Guardian:

This community resource guide has been provided to help identify programs and services to meet your family's needs.

While this booklet does not contain all the services and programs in the City of New Haven, it is a compilation of the most commonly used services.

Sincerely,

LULAC Head Start Inc.

Queridos Padres/Guardianes:

Está guía es para la comunidad que provee ayuda para identificar programas y servicios para satisfacer las necesidades de tu familia.

Este folleto no contiene todos los servicios y programas que provee la ciudad de New Haven, esto es solo una recopilación de los servicios más comunes.

Sinceramente,

LULAC Head Start Inc.

Food allergies are fairly common amongst adults and even more so among children. Around 2% of adults and 8% of children suffer from some type of food allergy where the immune system makes a mistake and thinks a certain food protein is dangerous and attacks it. Well known food allergies can include unwanted reactions to gluten, seafood and peanuts.
